Microgaming Community Games

FIND YOUR GAME

If you're yet to find your sporting passion but you're game for some fun, this could be just the event for you!

We're holding a day of half-hour sports taster sessions for young people to try out a range of activities, some familiar and some not so! You'll be able to have a go at badminton, bowls, flag football, golf, glow sports (just you wait!), judo, pickle ball (you what?), rugby, snooker, shooting, skateboarding and scootering - the list goes on!

What's more, you'll be able to rock out to bands from Soundcheck or kick back in the chill-out zone, and we'll sort you out with food, drink and transport.

**No commitments. No worries. Just fun.
Or you could just spend the day in school...**

If you're game, speak to your PE teacher about taking part in the Community Games. If you are already a keen sportsperson, whether at school or in the community, this isn't the event for you. Just keep on doing what you're doing!

Give Gareth a shout on 688556 to find out more

While we're hopeful that restrictions on gatherings will be lifted in time for the event, the health and safety of you and our volunteers remains our key priority. We will continue to keep an eye on the situation, following all government guidance. In the event of any further community cases of COVID-19 locally, the event will be cancelled.
