

Exams Assist – Results Day

On results day, your exam results will be available to view on *Exams Assist* – the same portal you viewed your exam timetable. Please follow the below instructions on how to access *Exams Assist* and view your results.

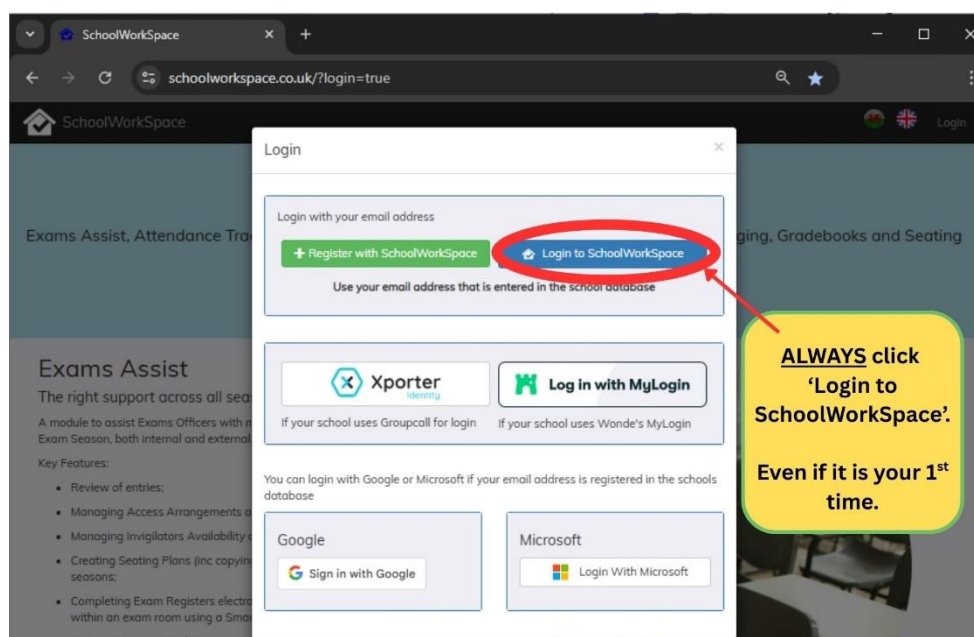

Step 1- Login to Exams Assist

You should have already logged into the portal previously to view your exam timetable. Please enter the same details to login to the portal. If you don't remember how to login or have forgotten your password, please complete the following steps:

- 1) Go to: <http://examsassist.co.uk> and click on the 'Login' button on the top right corner.

- 2) Always click on the blue button 'Login to SchoolWorkSpace'. Even if it's your 1st time.

- 3) Enter your Microsoft email address and your password. If you have forgotten your password or it is your 1st time logging in. Please click 'Forgot Password' and follow the next steps, making sure to always enter your school Microsoft email address. You will be emailed a code to help login and set your new password.

The screenshot shows the SchoolWorkSpace login interface. A modal window titled 'Login to SchoolWorkSpace' is centered, prompting the user to 'Enter your email and password to login'. It contains fields for 'Email:' (with 'you@example.com' entered) and 'Password:' (with 'Your Password' entered). Below these fields are buttons for 'Forgot Password', 'Enter Login Code', and 'Next'. Annotations include: a yellow box on the left stating 'If you have forgot your password or it is your 1st time logging in. Click 'Forgot Password'' with an arrow pointing to the 'Forgot Password' button; a yellow box on the right stating 'Enter your school Microsoft email' with an arrow pointing to the email field; and another yellow box on the right stating 'Enter your password' with an arrow pointing to the password field.

- 4) You should now have access to your Exams Assist portal. If you have any problems logging even after following these steps, please contact the Exams Officers by email at snhsexams@sch.im

Step 2 – Viewing your results

Once you have successfully logged in to *Exams Assist*, navigate to the 'Results' tab. Here you will be able to see each qualification and the grade achieved. You can also download a pdf copy of your statement of results if needed.

1- Login to the Exams Assist portal using your login details

Your name - Your Tutor Group

2- Navigate to the 'results' tab

3- Your qualifications and grades will then be listed here.

Optional Step 3- Sharing your results with your parent/guardian

If you want to share your results with your parent/guardian this is possible through *Exams Assist*. However, you must activate this feature yourself as it is your choice to share your results. In the 'Results' tab, click the box to 'Share exam results with parents'.

Your parent/guardian can then follow the same login process as detailed above in step one to access the *Exams Assist* portal and see your results. *Please note* Only your parents/guardians who have provided an email address to school can use this feature. They are only able to login with their own email address which they have registered with school.

Alternatively- You can download the pdf of your statement of results and share it with your parents/guardians this way. Remember it is your choice of who you wish to share your results with.
