ILP #1	My Timeline
Week set:	4 (w/b 25/9)
Duration:	1-2 hours (over two weeks)
Hand in:	6
Instructions:	<p>Create a timeline of your life so far. You should put the events of your life in <i>chronological order</i> and you should pick out the <i>most important</i> things that have happened to you to show in your timeline.</p> <p>Your timeline can include photos- but doesn't have to. You can arrange your timeline however you like and you can decorate it also.</p> <p>Your timeline can be completed on paper, or digitally, or it could be a little more creative. You can make something bigger than an A4 piece of paper.</p> <p>If there is a reason why you would prefer not to do a timeline of your life, that's fine, pick something else to make a timeline of.</p>
Skills:	Chronology & significance
Marking schema:	Timelines will be marked with written feedback. The feedback will comment on accuracy of chronology and significance as well as level of detail and organisation.
Additional guidance or help:	<p>If you have any question, please speak to your History teacher. You can get paper from your teacher if you need it.</p> <p>https://www.wikihow.com/Make-a-Timeline</p>
