

## Independent Learning Task

Subject	Core Skills
ILP #1	The Year of the Penny
Week set:	18 <sup>th</sup> September, 2023
Duration:	Three weeks
Hand in:	9 <sup>th</sup> October, 2023
Instructions:	<p><b>Outline of task</b>            Students will choose a Manx penny from the teacher's jar. There will be a year on the penny e.g. 1985. Students will be required to research answers to specific questions about that year. Areas of focus will include Government and Law, Entertainment, Science, Fashion and Trends, Economics, Food, News, Sports and Health.            The assignment will be handed to each student in the lesson with full instructions about how to complete the work. A copy of the work will be available for students in their Core Skills Google Classroom.</p> <p><b>How is the task to be submitted?</b>            Work should be completed first and foremost using a template slideshow found in Google Classroom, however for those students who cannot access this at home, a spider graph will suffice.</p> <p><b>Is this an individual or group task?</b>            This is an individual task.</p>
Skills:	<b>Critical Curiosity:</b> developing accurate research skills. <b>Creativity:</b> being inventive and imaginative <b>Resilience:</b> not giving up when the work becomes challenging
Marking scheme:	This task is out of 16 marks. 4 marks will be awarded for each of the following: layout and design, detailed and accurate research, grammar and spelling and submission & completion of work. The mark scheme can be found on the assignment sheet and on Google Classroom.

	<p>Students will be given the opportunity to reflect upon their work after it has been marked and understand what they need to do differently for future assignments.</p> <p>Students will be given the opportunity to share their work with others.</p>
Additional guidance or help:	<p><b>From where can students get additional help?</b></p> <p>An exemplar assignment called “Student example: The Year of the Penny” can be found on Google Classroom.</p>
