

## Independent Learning Task

Subject	Computing
ILP #1	Research and Fake news
Week set:	Week 12
Duration:	2 weeks
Hand in:	Week 14
Instructions:	2 tasks each getting progressively more difficult. Students complete up to their ability to achieve Bronze, Silver or Gold.
Skills:	<ul style="list-style-type: none"><li>• Digital research</li><li>• Fake news</li></ul>
Marking schema:	Students are to work through the 2 Idea Badges and a Fake News Task. Students will achieve either Bronze, silver or Gold depending on how many of the tasks they complete to an acceptable standard.
Additional guidance or help:	Students can access the computers in the library during the supported study sessions. You can also email class teachers for support.
