

## Independent Learning Task

Subject	Design and Technology – Product Design Module
ILP #1	Research and Revision
Week set:	Week 5 (week commencing 6 <sup>th</sup> September 2024)
Duration:	1 Week
Hand in:	Week 6 (week commencing 7 <sup>th</sup> October 2024)
Instructions:	<p><b>Design Movements Research Task</b></p> <p>Create an annotated image board that you can use for design inspiration. Use fonts, colours and graphics that are linked to the Design movement of your choice.</p> <p>Make sure you include:</p> <ul style="list-style-type: none"><li>• An introduction about the design movement.</li><li>• At least 6 images of iconic designs with their designers.</li><li>• Interesting facts about the design movement.</li></ul> <p>You can work on the template slide in the Independent Learning Task Assignment in your Google Classroom.</p>
Skills:	This task develops your ability to carry out independent research and develops your knowledge of different product designers. These skills are needed when you are investigating design opportunities and revising for written assessments.
Marking schema:	<p>Your teacher will be looking for pieces of work that show you have collected research and presented information clearly.</p> <p>You will be awarded with 2 ePraise Points for completing activity to a good standard.</p>
Additional guidance or help:	<p>Online Resource - <a href="#">Focus eLearning by Focus Educational Software Ltd.</a></p> <p>Your teacher will share an example of each outcome with you.</p>
