

Independent Learning Task

Subject	English
ILP #3	Design an original tourist information leaflet for visitors to the Isle of Man
Week set:	Week 25
Duration:	Approximately 1 to 1 ½ hours
Hand in:	Week 26
Instructions:	This task should be completed by hand on paper. You will do lots of work on travel writing in class to give you information for writing the leaflet. We will also learn about travel writing conventions. This is an independent task.
Skills:	This will develop your ability to use the correct style, structure and language for writing a travel leaflet as well as considering your audience and purpose.
Marking schema:	Your teacher will look at your work based on all of the skills above and write comments on your work. Then in a lesson, you and your teacher will highlight any skills that you've demonstrated a good grasp of on your marking grids to clearly show your achievement.
Additional guidance or help:	We will look at an exemplar leaflet and you can use all of your class learning to help you design your own leaflet. Instructions will also be posted to Google Classroom. Finally, your design might be chosen for a display board in the sea terminal.
