

Y8 Independent Learning Task

Subject	English
ILT 3	Survival Guide Handbook
Week Set	Week 19
Duration	1 to 2 hours
Hand in	Week 20
Instructions	Imagine you are an expert in survival who has lived through extreme situations. For this task, you will create a mini survival guide that could help others survive in a challenging environment of your choice.
Skills	• Informative Writing: Use clear and structured language to provide practical advice and instructions. • Organisation and Layout: Arrange information in a logical, easy-to-follow format. • Adaptation to Audience: Write in a way that is accessible to a beginner in survival, with simple language and actionable steps.
Marking Schema	• Clarity and Detail: Each section of your guide is clear, detailed, and easy to understand. • Relevance: Tips are appropriate to your chosen environment and provide useful survival information. • Creativity and Visual Appeal: The guide is creatively laid out, making it visually engaging and informative.
Additional guidance and help	• See the 'detailed instructions' handout • Ask your teacher
