Dear Student

Re: Road Safety Presentation

On Thursday 28th September 2023 the Isle of Man Constabulary's Roads Policing Unit, Ambulance Service and Fire and Rescue Service will be delivering the Drive Safe Live Long presentation to Year 11 regarding road safety.

The presentation will last for the double afternoon lesson and is designed to demonstrate that although driving can be fun, it also brings different potential risks, particularly for young and inexperienced drivers.

The talk focuses on the 'Fatal Five' Drink/Drug Driving, Seatbelts, Speed, Carelessness and Mobile Phones, as well as managing different road conditions, practicing in different conditions with experienced drivers and the importance of buying a safe car.

As well as representatives from our Emergency Services the afternoon will also include members of the public affected by road traffic collisions, who will share their personal stories on how they have been impacted.

Should you or your Parent/Guardian have any questions regarding the presentation you are welcome to contact myself or Berni Hall, the Road Safety Operations Manager, at Police Headquarters on 01624 631543.

Yours faithfully
