Dear Parent/Guardian

We are delighted to announce that our online rewards system, Epraise is now available for parents to access. This will allow families to see the merits, accolades and achievements awarded to your son/daughter by staff. You will also be able to see the various rewards that are available as well as the enrichment activities which run at lunchtime and after school. We also use the system to book appointments at Parents' Evening later in the year.

Information will also be available about your son/daughter's demerits. Demerits are also used as a way of tracking information about students. One of our demerits is 'Permitted Out of Class'. This demerit carries no behaviour points and leads to no sanctions and is simply a way of tracking which students are out of lessons at a particular time for safeguarding purposes and fire drills. Consequences for behaviours are recorded using the 'Interventions' which are linked to break time and after school reflection sessions. If you wish to receive notifications if your son/daughter is placed in an 'Intervention', then please also download the Epraise app and turn on 'push notifications'.

Within the next few days, you should receive an email from Epraise with more details. If you wish to log in then you need to follow the instructions in the email. Please note, you will need to select the parent login rather than student login section of the website.

For more information about Epraise please visit our school website:

Yours faithfully
