Dear Parent/Guardian

### Re: Quality Assurance Framework - Validation

St. Ninian's High School has volunteered to be part of a second pilot group of schools that will be validated under the Island's new Quality Assurance Framework. As such, we will welcome the Tribal (Education Services) Validation Team into school on Monday 24<sup>th</sup> and Tuesday 25<sup>th</sup> June 2024.

The team from Tribal will be validating the self-evaluation documentation completed by school leaders. The timetable for the two days includes meetings with a selection of students, staff, school leaders and other stakeholders to review the school's Quality of Education, Behaviour and Attitudes, Personal Development and Leadership and Development. More details can be found in the leaflet, which can be viewed on our website or by clicking on the link [DESC Validation Leaflet](#).

We are looking forward to the validation process and to sharing the validation feedback with you soon.

Yours faithfully
