Dear Parent/Guardian

Re: Head of Year Introduction

I am delighted to introduce myself as your child's new Head of Year. It is a privilege to take on this role, and I am excited to support and guide your child through their Key Stage 3 journey at SNHS.

Key Stage 3 is an exciting time of growth and new experiences, and I am eager to be a consistent presence for the students as they continue their journey. My goal is to ensure that every student has a positive and fulfilling school experience, making the most of the opportunities available to them both academically and personally.

Over the coming weeks, I will be taking the time to get to know the students individually and as a year group. I am committed to fostering a supportive and inclusive environment where they feel encouraged to achieve their best. Should they need any support, I am always here to help.

Looking ahead, my intention is to remain with the year group throughout their Key Stage 3 journey, working closely with both students and parents to ensure a smooth and successful transition through these crucial years. I appreciate your support and partnership in this, and I look forward to working together for the benefit of all our students.

Please do not hesitate to get in touch if you have any questions or concerns.

Yours Faithfully
