Dear Parent/Guardian

### RE : EEDI Mathematics Summer Club

Your child is subscribed to EEDI, a maths platform that helps students improve their grades in maths, faster! EEDI assesses each child's knowledge using fun diagnostic quizzes and prioritises the areas that will improve their confidence and competence, fastest.

I am writing to inform you of the EEDI Summer Club that runs through the Summer holidays. It encourages students to log in to EEDI and answer the 'Question Of The Day' for entry into a free prize draw. In addition to this students can achieve Epraise Accolades for completing independent learning tasks over the 6 week period. These can be any topics and tasks they choose and by filling in the Starter Quiz these tasks will be tailored to them individually.

Epraise Accolades to be awarded:

10 minutes for 5 days = 1 Accolade  
10 minutes for 10 days = 2 Accolades  
10 minutes for 15 days = 3 Accolades  
10 minutes for 20 days = 4 Accolades  
10 minutes for 25 days = 5 Accolades  
10 minutes for 30 days = 6 Accolades

You can also connect with your child's account by creating your own FREE account to receive progress and activity updates. To connect to your child's account, simply follow these steps:

1. Sign up for a parent account at [family.eedi.com/signup/invite-parent](https://family.eedi.com/signup/invite-parent)
2. Once logged in click the 'link to an existing child account' box
3. Click 'enter your child's login details'
4. Get your child to log in to connect their account to yours

If you would like your child to join the EEDI Summer Club, please reply to this email and I will send your child's login details and ensure they are signed up.

Yours faithfully

Mrs S Broadway  
KS3 Mathematics Coordinator

LOWER SCHOOL (Years 7 – 9)

Heywood Avenue, Onchan

Isle of Man, IM3 3AR
