Our Ref: CJC/LK/Year 11 Parent's Evening

15<sup>th</sup> January 2026

Dear Parent/Guardian

### Re: Year 11 Parents' Evening

You are invited to attend a Year 11 Parents' Evening on **Tuesday 27<sup>th</sup> January 2026 from 3.30–6.00pm at our Lower School site**. This is to provide you with the opportunity to talk with individual subject teachers about progress being made in your child's lessons and what students can do to achieve the best outcomes for them at the end of Key Stage 4.

Appointment slots are five minutes per teacher. Not all teachers that teach your child will be available for appointments during the evening as some classes are taught by multiple staff, but you should have access to at least one staff member per subject. If a staff member becomes unavailable for the evening, we will inform you as soon as possible. We anticipate that some teachers will be in high demand.

To book your appointments please log in to ePraise, click on the 'Community' section and select 'Parents' Evenings' to make your bookings. A short guide on how to use the system is enclosed. If you find that there are already some appointments made on the system, this is because those teachers have requested an appointment with you. By all means alter the time slot of this appointment to one that better suits, but please make sure you keep an appointment with these teachers.

On the morning of the Parents' Evening, an email will be sent via ePraise to confirm your appointments, please check this email, or log into ePraise on the day to ensure you are referring to your most up to date appointment list. Remember to **print off a copy of this email and take it with you on the evening or use ePraise on your mobile device** to refer to during the event.

Appointments can be made from **Tuesday 20<sup>th</sup> January 2026 at 4.00pm**. The online booking system will close on **Monday 26<sup>th</sup> January 2026 at 3.00pm**. Appointment slots are on a first come, first served basis, so the sooner you make your appointments the more choice of available slots you will have. To maximise the opportunity for all students to see all their teachers, appointments with each teacher are 1 per student not 1 per parent. Should you wish to make any changes after this date please contact the school office on 648800.

ePraise is a system that complies with all current DESC data protection protocols. If you have issues accessing ePraise or booking appointments, please contact the school office who will be happy to add appointments on your behalf.

On the evening, you can park in the main staff car park or use the extra parking at the side of the school next to the outside sports area. You should then enter through the main entrance of the school where students will be on hand to help register your attendance and provide instructions as to where staff are located. We look forward to seeing you with your child on the night

Yours faithfully

Mr C Coole  
Head Teacher
