Dear Student

### Re: **GCSE WJEC Mathematics Mock Exam**

In January, you received a letter detailing some of the key information and dates for the new WJEC Mathematics and Numeracy Dual Award GCSE.

In this letter, we confirmed that a mock exam would take place during the Summer Term in preparation for the **Unit 1 – Financial Mathematics and Other Applications of Numeracy** examination that will take place in November 2026.

I can now confirm that this Unit 1 Mock Exam will take place in the Exam Hall on the morning of **Thursday 11<sup>th</sup> June 2026**. Please make a note of this date.

In preparation for this mock exam and the actual Unit 1 exam in November, your teachers will soon begin focusing entirely on Unit 1 content in class. In the coming months, the Maths Department will be providing some key resources including:

- A detailed list of content that will be assessed on Unit 1
- A Unit 1 Specimen Paper provided by WJEC
- Topic-specific exam revision booklets for key Unit 1 topics

These resources, along with the online resources available through your Maths Tracker, should form the basis of your preparation for the Unit 1 mock exam, and the real examination in November.

A copy of this letter has also been sent to your parent/guardian. If you have any further questions, please speak to your Maths teacher. Parents/guardians can contact me via [snhsenquiries@sch.im](mailto:snhsenquiries@sch.im).

Yours faithfully

Mr A Thrussell  
Head of Mathematics
