27th April 2026

Dear Parent/Guardian

Re: Safer Schools IOM App – Year7 & Year 8

As you may remember St. Ninian's High School was part of the initial launch of the Safer Schools IOM App, a valuable resource designed to support you in understanding the key issues young people face today. The app provides clear, trusted guidance on topics such as online safety, digital wellbeing, social media, friendships, mental health and emerging risks. It offers practical advice, videos, articles and tools to help you confidently support your child both online and offline.

If you have not yet set up the app, below is the code you will require as a parent and the relevant code for your child to also access the platform.

Parent/Carer Code: 3094

Student Code (for your child): 6367

Attached is a step-by-step setup guide to help you install and activate the app on your devices. The process is straightforward, and once completed, you will each have access to age-appropriate content tailored to your needs.

- **Parents/Guardians** will be able to explore guidance and resources designed to help you support and understand your child.
- **Students** will access a version of the app specifically created for their age and stage, ensuring they receive advice and information that is safe, relevant, and appropriate.

We strongly encourage all families to download and use the Safer Schools IOM App. By staying informed and engaged, we can work together to ensure our young people feel supported, confident, and safe in today's ever-changing world.

If you have any questions, please get in touch.

Yours faithfully

A handwritten signature in dark blue ink, appearing to read 'A Neill', is written over a light blue background.

Mrs A Neill
Acting Deputy Head Teacher

Encl.

LOWER SCHOOL (Years 7 – 9)

Heywood Avenue, Onchan

Isle of Man, IM3 3AR

+44 (0) 1624 648900
