Dear Parent/Guardian

Re: Timetable roll up

On Monday 29th June 2026 we are going to implement the school's September's timetable.

Amongst other benefits this allows the Y9 students to transition to key stage 4 and start their courses. This means the year 9 students will leave lower site and move to the upper site. For year 8 students it provides the opportunity to begin next year's classes before the summer making September a smooth start to the year.

A new timetable will be issued to your child in time for the roll up.

It is possible there may be one or two errors or even blanks that appear on some timetables – don't panic – we will fix everything during the first few days of roll up. If there is anything that your child is unsure about, please encourage them to speak to the pastoral team in the first instance.

Yours faithfully
