25th January 2018

Dear Parent/Guardian,

We would like to invite all Year 11 students and their parents to our Sixth Form Open Evening, which will be held on 1st February between 6:30pm-8:30pm at our Upper School site.

During the evening there will opportunities to find out more about the application process, speak to staff and current students about life in the Sixth Form and visit subject stands staffed by specialists. The Sixth Form Team will also be available to discuss the application process and answer any other questions you may have.

There will be two opportunities to hear the talk from the Head of Sixth Form, who will outline the application process, courses and pathways. Our new course guide and application form will be available on the evening and an electronic copy will be published on our website after the event.

Our talks are extremely popular so please book into one of our sessions using the online system. If you are attending the second talk in the Gym, there will be an opportunity to visit subject stands and also attend an informal talk on Sixth Form life beforehand. There will be refreshments throughout the evening available in the canteen.

Please book your required number of seats by 12pm on Tuesday 30th January at www.stninianshighschool.parenteveningsystem.co.uk If you are unable to access the system please contact the Upper School Office on 648800.

Yours sincerely

Mr K Schofield
