

## St. Ninian's HIGH SCHOOL

Scoil Ard Noo Ninian

19<sup>th</sup> February 2018

Dear Parent/Guardian

### **Year 9 Parents' Evening on Tuesday 6<sup>th</sup> March 2018 from 4pm – 6.30pm at St. Ninian's Lower School**

You are invited to attend the Year 9 Parents' Evening. This will give you the opportunity to talk with some of your son/daughter's subject teachers and tutor about how they are progressing in their studies and to assist in helping them make their final options choices. Appointment slots are five minutes per teacher. Unfortunately, it is not possible in one evening for appointments to be made with all teachers. However, we have increased the number of appointments you can make to a maximum of seven per student. Please note, this is a maximum, if you wish to make fewer appointments that is fine.

To book your appointments please visit our school website: <http://www.snhs.im>. Then click on the link called 'Parents' Evening' under the 'Parents' section on the menu bar and follow the simple instructions to make your bookings. (A short guide on how to add appointments is included overleaf and on the website). If you find that there are already some appointments made on the system, this is because those teachers have requested an appointment with you. By all means alter the time slot of this appointment to one that better suits but please make sure you keep an appointment with these teachers. Remember to print off a copy of your bookings and take it with you on the evening or have them saved on your mobile device to refer to during the evening.

Appointments can be made from **19<sup>th</sup> February at 9.30am** and will close on **2<sup>nd</sup> March at 12pm**. Please make sure you make your appointments via the school website during this time period. Appointment slots are on a first come, first serve basis, so the sooner you make your appointments the more choice of available slots you will have. Should you wish to make any changes after this date please contact the school office.

To login to the system you will need to use the following information.

Your first name, surname and e-mail address

Student's First Name:            «Forename»  
Student's Surname:            «Surname»  
Student's Date of Birth:        «dd/mm/yyyy»

This data is stored on the host website for authentication purposes. This is a secure site, registered with the Information Commissioner's Office and complies with all data protection regulations. If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

On the evening itself you can park in the main staff car park and the extra parking beyond this at the side of the school next to the outside sports area. You should then enter through the main entrance of the school where you will need to sign in and will be given instructions as to where all the staff are located.

Yours faithfully

Miss J White
