February 2018

Dear Parent/Guardian and Students

Re: Road Safety presentation by the Isle of Man Fire Service

Please be advised that on Friday 9th March 2018 the Isle of Man Fire Service will be delivering a presentation to all Year 11 pupils regarding road safety. The presentation will last for a double lesson and will contain the following:

- Ambulance and Fire Service members talking about road traffic incidents.
- Distractions that can cost lives (texting), not wearing seatbelts, motorbike dangers, drink drivers etc.
- The presentation will be deliberately quite hard hitting in its content. There will be a warning slide at the beginning of the presentation. Students who think they may find the content distressing will be allowed to leave.
- Towards the end of the presentation the mothers of two children involved in Road traffic accidents will be invited to speak to the year group. One has lost her daughter in a crash and the other brings along her son who is quadriplegic due to a car accident.

Whilst we appreciate some parents may not want their children to experience this presentation we feel that at this stage in their lives this is an important series of messages for them to have.

Should you have any questions regarding the presentation or if you would like your child not to attend this assembly please do not hesitate to contact me.

Yours faithfully

Miss A Watts
Head of Year 11
