Dear Parent/Guardian

On Monday 18th and Tuesday 19th June your son/daughter will sit internal assessments in the Lower School Hall for English and Mathematics under GCSE examination conditions.

In order to try and provide a realistic experience, the exams will be run under the same rules and regulations as official exams. This will mean that students will be required to adhere to the following rules:

- No bags are to be taken into the exam hall. These should be left in lockers
- No mobile phones, smart watches or ipads are to be taken into the exam hall. Ideally these should be left at home for the day, otherwise students will need to leave these items in their bags
- Only clear plastic pencil cases or plastic wallets can be used for stationery in the exams
- Only water is to be taken into the exam hall (label from the bottle must be removed)
- Lunch pass cards must be taken into the exam hall and put on the desk as identification

In the run up to this event staff within the Maths and English departments will be providing students with more information on how they can best prepare for the exams and the equipment that they will require.

I hope that you will support the school in providing this experience but should you require any further information or wish to discuss anything in more detail please do not hesitate to contact me.

Yours faithfully

Mrs L McDermott
Head of Year 9
