HEAD TEACHER Mr C. J. Coole

12th July 2018

Dear Parent or Guardian

RE: MyMaths

The Mathematics department wishes all Y10 students a happy and relaxing summer break. We hope they return in September refreshed and ready for the challenges ahead in Y11.

After taking a long break from doing any Math's many students find their preparation for examinations quite overwhelming.

For most students their first Mathematics examination will be 8 weeks after returning from the summer break.

With this in mind, we are setting several short online tasks at an appropriate level for your child in order to help them keep on top of their Math's skills during the summer holidays. They have each been given individual slips containing their personal login details for the MyMaths website.

We hope you will appreciate our intention to support your child in reaching their target grade and that you will encourage them to use this opportunity. Feedback will be provided online and their progress will be monitored by the Head of Mathematics.

Yours sincerely

Ms Alison Lewis
Head of Mathematics
