We are holding an introduction to BTEC Studies Evening; this will include information about the structure of the BTEC qualification, units to be studied, information around assessment and information as to how you can best support your child in their studies.

The evening will run from 6:30pm until 7:30pm at St Ninian's High School in the main hall and will last no more than one hour. There will be an opportunity to talk with subject teachers within this time also.

There will be an introduction from Mr. Smith (Deputy Headteacher) followed by a talk from Miss Christian (Applied Learning Co-ordinator), whereby you will hear about:

- The organization of the BTEC qualification
- Levels of Study
- Support and enrichment opportunities
- Expectations when studying a BTEC
- Opportunities for university/ employment/apprenticeships
- Key dates

Parents/Guardians can book a place for the evening (maximum of 2 adults, 1 student) on the school website snhs.im. Go to the Parents tab and select Parent's Evenings. A short guide on how to add appointments is included overleaf.

I look forward to meeting you all on the evening.
