Dear Parent/Guardian,

Re: E-Safety Parents Information Evening – Thursday 15th November – 6pm

On 15th November 2018, I am pleased to inform you that we are able to offer an Information Evening for all parents, which will provide you with a range of advice and information regarding online safety. This will commence at 6pm and should not take more than 50 minutes.

More than ever, young people communicate, share and view content and use games online. Do you know what risks your children are exposed to online or what you can do about it? Are you aware of the very real high risks with potentially long reaching consequences? This session aims to highlight some of the risks, answer questions and offers useful, practical information and advice to help minimise those risks.

After a very short introduction from Mr. Coole the session will be delivered by Julie Wilsdon, ICT Advisory Teacher with DESC and Graham Kinrade, Director of Operations, Government Technology Services. Both presenters have a wealth of knowledge and experience in this area and will be happy to discuss any concerns, answer questions and offer support and advice.

The event will be held in the **Lower School Assembly Hall** (Bemahague site) which can be accessed via the school's front entrance. No need to book, just come along.

Friends of St. Ninian's High School AGM – 7pm

The 'Friends of St. Ninian's High School' are our active association of parents and teachers who give some of their time to organise fundraising events for our school and community. For the Friends to continue their good work they are always looking for new volunteers and members. Immediately following the Information Evening we will be holding the Friends of St. Ninian's AGM in the same venue. If you are at all interested in finding out a little bit more about the work of the Friends or would like to get involved, please do come along. All parents are welcome and encouraged to attend this.

Should you require any further information about either event, please do not hesitate to contact the School office on 648800.

I look forward to seeing you in there.

Yours faithfully

Mr C Coole
