What does ParentPay do?

- Enables you to pay for school meals, school trips and other items
- Offers a highly secure payment site
- Gives you a history of all the payments you have made
- Allows the merging of accounts if you have more than one child at school
- Shows you all items available for payment relevant to each of your children
- Emails a receipt of your payment to the email address you register

How does ParentPay help you?

- ParentPay is quick and easy to use
- Gives you the freedom to make payments to school whenever and wherever you like
- Stops you having to search for cash to send to school
- Helps with budgeting; payments are immediate, there is no waiting for cheques to clear
- Gives you peace of mind that your payment has been made safely and securely
- Allows you to see what your child has eaten

How does ParentPay help our school?

- Reduces the administrative time spent on banking procedures
- Keeps accurate records of payments made
- Reduces paper 'waste'
- Improves communication between the school and parents concerning payments
- Offers a more efficient payment collection process, reducing the amount of money held on school premises

How do I get started?

Once you have agreed to be part of this service and have consented on the Admission Form or Data Collection Sheet, we will send you an activation letter to enable you to setup your ParentPay account. The activation letter, which is usually issued in September unless a child commences part way through an academic year, will contain a personal activation username and password to enable you to login to ParentPay.

During the activation process you will be guided through changing your password to something more memorable; you can also merge your accounts if you have more than one child at St. Ninian's High School.
